EDITOR'S LETTER

Now and then I like to allude to some sort of current affair in this little bit, but all I can think of these days is bleedin' Brexit – it's the only thing in the news these days, and it's not even going to happen for ages yet. Hmm, perhaps if we all pretended we lived somewhere else – Australia, say – then we could recalibrate what counts as news and talk about all sorts of varied topics. Anyway, thank God there's always the naked ladies!

NORWAY TO BEHAVE!

Dear *Mayfair*,

My girlfriend went away for a few weeks in the summer holidays to visit her parents in Oslo (she works in a school, and gets plenty of time off) and, for a laugh, I told my mates she'd left me. I got a great deal of sympathy and beer out of it, but then something extraordinary happened.

My one of my mates' sister came round to see if I was alright and, out of the blue, made me an offer I couldn't believe.

"You want to go to bed?" Rachel asked, straight out, just like that. "It'll help you move on and I want to do it for you. As long as you don't tell anyone about it, as I do have a boyfriend."

This was staggering. Rachel was unbelievably cute and I'd lost count of the number of times I'd wanked off just thinking about her.

The decent thing to do would've been to come clean at that moment but how often was I going to get an open invitation like this from someone as sexy as Rachel?

I took her up on her offer and we went up to the bedroom and got undressed together. It was awkward at first and we stood facing each other stark naked and full of uncertainty before Rachel moved onto the bed and opened her legs. She had a wonderfully shapely pussy and I lowered myself between her thighs and examined it closely as she ran her fingers through her lips.

After a while she moved her hand aside and I dipped my tongue into her hot hole, still unable to believe what I was doing. I closed my mouth over her cunt and rasped my tongue up and down her slot and grew more and more excited with every flinch of her body.

Her nipples were hard as bullets and I pinched and tweaked them as I drank from her pussy. I slipped my tongue down between her buttocks and caressed her bumhole with the tip, making her yelp with pleasure. She was a really saucy mare and I couldn't wait any longer to plant my cock up inside her.

I jumped up between her legs, crawled along her lovely slender body and slipped my long pole into her hot wet cunt with one easy thrust.

Rachel thrust her tongue into my mouth as I drove my cock in and out of her pussy and she wrapped her legs around my back.

"Oh yeah, that feels really good. Talk dirty to me," she whispered in my ear.

"You like me fucking you?" I asked her, exhilarated to see this side of a friend.

"Oh yes," she moaned as I picked up the pace.

You want me to cum all over you?"

"Please," she pleaded with me.

"Do it on your tits, cum all over your cunt?"

"Oh fuck yes!"

"Are you going to cum?" I asked, driving my rock hard prick into her as hard as I could and suddenly she let out a scream.

"I'm coming! You dirty bastard I'm coming!" she shouted, pulling my hard cock into her and gripping me tightly with her pussy. I felt a splat of juice on my thigh and her insides spasm around my cock as she rippled with pleasure, then I went on fucking her some more.

"Come on me! Shoot it all over me," she begged as I drilled her hard and deep.

"No way, I'm going to cum in your mouth," I told her in no uncertain terms and her eyes lit up with delight. My

HOT TO SCOTT

Dear *Mayfair*,

Wow – having seen Vanessa Scott appear in *Mayfair* once or twice before she'd definitely made an impression, but nothing had prepared me for the wonderful sight of her magnificent untrimmed bush on your latest issue (52.11)! I'm not a nailed-on fan of the furry muff – I think sometimes it can look better, but sometimes a trimmed or shaven fanny's preferable, but there was something about the brazenness with which Vanessa was proudly showing hers off that really did it for me! Please pass on my compliments to the girl herself – and my envy to the guy she's going out with who's convinced her to grow her pubes for him, the jammy git!

Dave, Southport.

HOLEY TRINITY

Dear *Mayfair*,
Another cracking issue – and what a treat to be presented with no fewer than three debutantes, each with their own particular assets to bring to the table. First up was fair-skinned Carly, who looked sensational with her streak of scarlet lipstick and her perfect pink pussy lips on show beneath a healthy show of bush, and then the rather more bronzed Tori-Lee, who looked classy as fuck in her lingerie (although sadly I couldn't comment on what her pussy lips were like!). And then Katy, who looks like a perfect specimen of British womanhood, her perky natural boobs sitting atop a lovely curved body and a fabulously fleshy set of labia that I could tuck into for hours! And I see you've got two more lined up for 53.12, so I'll see you then!
Keep up the good work,
Greg, Bromley.

girlfriend never let me do this so it was something I'd thought about loads of times when I beat myself off. I couldn't believe my luck when Rachel agreed to it and whipped my cock out of her pussy and straddled her face a split-second later.

Rachel yanked on my meat as she held the tip between her lips and suddenly I exploded all down the back of her throat. She milked me for everything I had and gulped it down as fast as I could squirt it, then gave me a cum-stained smile.

I thanked Rachel for cheering me up and managed to get a repeat performance out of her the following week, but then my girlfriend returned a week or so after that and I had to do some quick thinking.

I told everyone she'd come back to me and that we were trying to make a go of it again, "So please no one mention her walking out," I implored them and so far they've all kept their word.

I dread to think what would happen if my little joke ever gets out, but I suspect I'll have two very angry women gunning for my balls. Still, so far I've certainly got no regrets!
Alan, Denham.

ROMANCE LANGUAGE

Dear *Mayfair*,
Earlier this year, I turned 40 and decided that I wanted to learn to do something new. After mulling it over, discounting numerous possible hobbies and sports, I finally decided that I would like to learn how to speak Italian.

Italy is my favourite place on earth to visit and I try to get at least a couple of weekend breaks in a year – if not a proper fortnight at one of the lakes. In all that time, I had gleaned enough to get by, just, but I realised that it would be really nice to go over and speak confidently, instead of my terribly pronounced, Englishman-abroad attempts, which always embarrassed me.

I had a bit of a look online and found a couple of ads for local tutors that were highly rated on a reputable site and gave them a call. The first one – an older woman, seemed a bit stern sounding for my liking, but I felt instantly comfortable talking to the second lady, Francesca, so arranged to go and see her the following week.

The following week, I set out for my first Italian lesson feeling calm and eager to start learning. However, I wasn't anticipating the sight that met me when the door opened to reveal the most gorgeous vision. I love brunettes and Francesca was a real Italian beauty: her stunning olive skin set off by her poker-straight black hair, her red lips full and brown eyes inviting and her outstanding figure accentuated by a light, flowing dress.

She invited me in, offering me a drink and smiling at me reassuringly. I suddenly felt slightly nervous, in the presence of this beautiful woman. The lesson was held in a small office towards the rear of her house and, as she led me through and motioned for me to sit down, I couldn't help but be super-aware

Does it seem to you that it's been rather too long since we last hooked up with south coast scorcher Natalia Forrest? Yes, us too, so without further ado let's put that right. And isn't she looking fetching in her stunning scarlet lingerie and... well, is that a diamond choker?!

"Ah, wouldn't that be nice?" she grins. I've had a few gifts over the years from admirers, but sadly none of them have contained as many diamonds as this choker would require! Maybe if any of your readers would like to rectify that situation..."

Yes, maybe they would. Perhaps we ought to organise a whip-round...?

of how drawn I was to her. I almost felt light-headed. Not a feeling I remember having since I had my first girlfriend – when being so close to an attractive girl was almost intoxicating.

We got on well, and she was a good teacher – I picked the language up quickly, despite it being hard to concentrate being in such close proximity to this sexy creature. I went to lessons once a week, and between them I thought about her all the time. I couldn't help but imagine what it must be like to kiss those soft lips, move myself between her thighs and push myself deep within her. By the fifth week I was driving myself mad and I decided I had to say something to her.

The following week, we started the lesson as normal, going through a revision of the previous week's learning. I nearly broached the subject a few times and chickened out before finally blurting out: "Francesca, are you single?".

She smiled at me and coyly replied, "Yes I am, why do you ask...?"

Actions would speak louder than words, so instead of answering her, I instead leaned over and planted a soft kiss on her perfect lips. Initially she tensed, but I felt her quickly relax and begin to kiss me back, tentatively at first but then harder and more passionately, her tongue worming its way into my mouth and exploring around. The chemistry I felt was intense.

> SHE WHIMPERED AS I GRABBED HER HIPS AND INCREASED THE PACE, STARTING TO SLAM INTO HER HARDER...

After a few minutes of snogging like teenagers, Francesca stood up before slowly straddling me on the chair I was sat on, positioning herself so her pussy was pressing against my stiffening prick. Grabbing her fantastic boobs as I kissed her neck, I was pleased to hear her moan with pleasure. Realising that she was already so turned on made my cock rock hard and, as she began rubbing her groin up and down my shaft through her thin flowing dress, I couldn't quite believe that I was about to get to fuck this beautiful woman.

Reaching behind her momentarily, Francesca pulled the top of her dress down to exposed her stunning breasts and I didn't hesitate to take one in my mouth. She gasped as I rolled it with my tongue, licking and nibbling gently in response to her obvious enjoyment. As her breathing became more and more ragged, she became visibly excited, and I suddenly felt her hand on the bulge of my dick, grasping it through the material.

I took that as my cue and lifted her up, our genitals still pressed firmly together, and placed her on the desk. No sooner had her bum made contact with the surface, was she frantically hiking her dress up and pulling down her knickers, as I unzipped and got my cock out and ready to fuck! I looked at her, legs spread, her wet pussy lips at the perfect height for me to slide my cock into easily. I was practically salivating at the thought. I'd fantasised about this for weeks, after all!

Positioning myself at her glistening entrance, I pushed my hips forward and slid into her tight slot with ease, letting out a sigh of relief and utter bliss as I sank balls-deep into her enveloping warmth. I held myself there for a moment, enjoying how it felt to be encased in this beauty's snatch, and then I began to poke her deep and slow. She whimpered as I grabbed her hips and increased the pace, starting to slam into her harder and faster as her whimpers turned to yelps and those yelps turned to screams. Before I knew it, I was pounding into her as hard as I possibly could, relishing each and every noise she elicited – or I elicited from her.

She wrapped her legs around my waist as I ground deep inside her, and then she reached down and started to frig her clit frantically. She began to moan and writhe, muttering something in Italian that I didn't understand, but which sounded dirty as hell. I started to feel her pussy muscles pulsating as she came noisily. Her contracting vagina acted as a milker on my sensitive prick and a few seconds later, I felt myself following her lead, so I whipped my cock out and exploded, covering her taut brown belly with my white spunk.

Since then, my session length seems to have increased by an hour – the first hour is always my actual Italian lesson, and then Francesca takes me by the hand and leads me to her bedroom, where I am always reminded how beautiful the language can sound in practice!

Martin, Harpenden.

BI-MONTHLY!

Dear *Mayfair*,

I know you don't get too many letters from women – apart from their Quest adventures – but I thought it was about time I emailed to let you know that there are definitely plenty of us out here who enjoy reading your magazine as well as men. I would class myself as bisexual, so to begin with I love looking at the pictures of all the gorgeous models you feature (my current fave is Holly Gibbons, who looked better than ever in your latest shoot of her). Some women prefer to have a wank reading erotic fiction like *50 Shades* etc, and while I don't mind that now and again, I far prefer reading about real life adventures – especially when they're combined with such stunning pictures! And when I'm with a girl we love looking through an issue together – and the same when I'm with a guy, so everyone's a winner!

It's a little known fact that whenever we fancy finding a new stunner to grace the pages of *Mayfair* and send our scouts out across the land, it's more or less an evens bet that it'll be our man in Essex who's first on the blower, and so it was this month when he got in touch sounding even more excited than he usually is. He'd had to head all the way to the coast, but boy, he said, was it worth the journey. Well, as you can see for yourselves, he wasn't kidding – petite Lycia might only be a wee slip of a thing at 5'2", but she's certainly all there where it counts. Frankly we can hardly wait till 2018 so we can see even more of her!

IT'S GOOD TO TORQUE!

Ever felt the need to get from zero to 60 in less than 3 seconds? You don't have to jump off a cliff, you know...

Gas guzzling engines and Ford have always gone hand-in-hand and if it were up to Donald Trump they still would, but things are changing at the Michigan based plant. Ford are hell bent on developing their EcoBoost engines that are designed to deliver horsepower and torque consistent with those of larger-displacement naturally aspirated engines, which Ford claims can achieve about 30% better fuel efficiency and 15% fewer greenhouse emissions. And the Ford GT is the flagship for their revolution, redefining innovation in aerodynamics and light-weighting, pushing the high-performance exotics to a new level. The GT will be just one of more than 12 new Ford Performance vehicles coming by 2020. It joins Focus RS, F-150 Raptor, Shelby GT350 and Shelby GT350R in the growing Ford Performance lineup and features the most powerful EcoBoost production engine ever – a new twin-turbocharged Ford V6 producing more than 600 horsepower.

The all-new GT supercar features rear-wheel drive, a mid-mounted engine, and a sleek, aerodynamic, two-door coupe body shell. The designers make extensive use of lightweight materials, including carbon fibre and aluminium – enabling outstanding acceleration and handling with improved efficiency. Ford's commitment to and capability in delivering technologies typically offered only in elite vehicles is evident in the GT. These include advanced active aerodynamics, such as a deployable rear spoiler, and a host of material and technology innovations to help better serve the driver, such as SYNC 3 – the latest version of Ford's advanced connectivity system.

Few innovations provide a more wide-ranging performance and efficiency advantage than reducing weight. All factors of a vehicle's capabilities – acceleration, handling, braking, safety, efficiency – can improve through the use of advanced, lighter materials. The all-new GT features advanced lightweight composites, which will help serve Ford's entire product lineup moving forward. With the broad application of structural carbon fibre elements, the GT will exhibit one of the best power-to-weight ratios of any production car ever made.

Anchored by a carbon fibre passenger cell, the GT features aluminium front and rear subframes encapsulated in structural carbon fibre body panels. Carbon fibre is one of the world's strongest materials for its mass – enabling an ultra-stiff foundation for chassis components, while creating a lighter overall package for increased dynamic performance and efficiency.

Moving forward the Ford EcoBoost technology is available in every new Ford car, utility and light-duty pickup in North America and across the world. EcoBoost engines power a growing number of Ford performance models, including the new Mustang, just-announced F-150 Raptor, as well as Fiesta ST and Focus ST. Based on the same race-proven engine architecture serving Ford's IMSA Daytona Prototype endurance racing efforts, the next-generation twin-turbocharged 3.5-litre EcoBoost V6 in the GT features a wide powerband with impressive time-to-torque characteristics.

The engine demonstrates remarkable efficiency – a key attribute of its endurance racing-derived powertrain, where exceptional performance combined with efficiency is a critical competitive advantage.

Ford's twin-turbo EcoBoost V6 raced to three wins in its first season of the IMSA TUDOR United SportsCar Championship in 2014, including a win in the prestigious 12 Hours of Sebring, and won the prestigious 24 Hours of Daytona to start the 2015 season. The GT features an all-new, port/direct dual fuel-injection setup to improve engine response, plus a low-friction roller-finger-follower valvetrain. The twin-turbocharged EcoBoost V6 will be paired with a seven-speed dual-clutch transaxle for near-instantaneous gear changes and exceptional driver control.

Aerodynamic efficiency is at the very heart of the GT design, actively reducing drag while aiding downforce and stability. From its optimum tear-drop shape to its aircraft-inspired fuselage and visibility-enhancing curved windshield, every slope and shape is designed to minimize drag and optimise downforce. Although each surface on the GT is functionally crafted to manage airflow, it also features fully active aerodynamic components to improve braking, handling and stability. An active rear spoiler is keyed to both speed and driver input, reactively deploying and adjusting its height and/or pitch angle depending on conditions.

While it shares a legacy with classic Ford racing and performance cars, the GT is a fully contemporary and functional shape that communicates modernity and pure beauty. The state-of-the-art chassis is suspended by an active racing-style torsion bar and pushrod suspension, with adjustable ride height. The 20-inch wheels are shod with Michelin Pilot Super Sport

"AERODYNAMIC EFFICIENCY IS AT THE VERY HEART OF THE GT DESIGN, ACTIVELY REDUCING DRAG WHILE ADDING DOWNFORCE AND STABILITY."

Cup 2 tyres featuring a unique compound and structure designed specifically for the Ford GT. Multi-spoke wheels encircle carbon-ceramic brake discs at all four corners.

The narrow-profile canopy reduces frontal area and caps a purposeful interior that provides state-of-the-art technology to ensure control, comfort and safety. The two-seat cockpit is accessed by upward-swinging doors, and features driver and passenger seats integrated directly into the carbon fibre passenger cell.

This configuration significantly reduces seating hardware and weight, and provides a consistent and direct sensory connection to the chassis. The fixed seating is combined with adjustable pedals and steering column to accommodate a very wide range of driver statures. An F1-style steering wheel integrates all necessary driver controls, creating a stalkless steering column that allows uncluttered access to the transmission paddle-shift controls. A fully digital and configurable instrument cluster provides a wealth of driver-focused data. The display is configurable for multiple driving environments and different driving modes.

The good news is that the GT will be hitting the road any day now. The bad news is that Ford are only building 1000 GTs and they've already sold the lot!

Well we guess there's a pretty obvious why she's known as 'Blondie', but is there any more to it than that, we wonder...

"Yes – when I was little I saw a clip of Debbie Harry on the TV and I became sort of obsessed with her. My hair's not really all that blonde, but as soon as I saw her singing I thought she was the coolest person on the planet. In fact I still do, really! So as soon I as I was old enough I did my hair and I've gone by the name of Blondie ever since then!"

Well it definitely suits you – as does wearing very little!

A bit like the dream in that biblical story about Joseph and his colourful coat, we like to make hay while the sun's shining and lay up a few titbits to help see us through the winter. And what we mean by titbits, of course, is pictures of stunning women taking their clothes off alfresco! So yes, we admit it, these piccies of Ree were taken a few months ago, during that bit of summer we had, and we've been sitting on them ever since! Well, when I say sitting on them, the Ed took them home for about four months and refused to bring them back in again. Apparently he's very interested in horticulture...

A woman arrives home from work and her husband notices she's wearing a diamond necklace. He asks her where she got it from and she replies, "I won it in a raffle at work. Go get my bath ready while I start dinner."

The next day, the women arrives home from work wearing a diamond bracelet. Her husband asks, "Where did you get the bracelet?"

She replies, "I won it in a raffle at work. Go get my bath ready while I start dinner."

The following day her husband notices she arrives home from work wearing a beautiful pair of diamond earrings. He says, "Don't tell me – I suppose you won those in a raffle at work as well?"

She replies, "Yeah I did as a matter of fact How did you guess? Now go get my bath ready while I start supper."

Later after supper, she goes to take her bath and she notices that her husband has only put only one inch of water in the tub. She yells to her husband, "HEY! There's only an inch of water in the tub."

He replies, "That's right – I didn't want you to get your raffle ticket wet."

A white missionary is working in darkest Africa for some years. One day whilst he is spreading the good word to a tribe the chief asks him, "I'm sure you've noticed that there's one child in our tribe who is much lighter than the others. Do you have any idea why that would be?"

The white man looks thoughtful and then replies, "Well, this sort of thing happens once in a while. It's called an albino. Just one of those little things. You could say a blessing, a gift from God, a throwback in the genetic chain."

The chief looks puzzled by this explanation, so the preacher, glancing out of the window, continues, "You see the herd of sheep your people keep out there in the pasture? You see there is one black sheep there in amongst the others? It's the same sort of thing."

The native wonders a moment, then looks worried, and finally says, "Look man. If you keep quiet about the sheep, I won't say a word about the baby. Okay?"

Two young lovers go up to the mountains for a romantic winter holiday. When they get there the guy goes out to chop some wood. When he gets back, he says, "Honey, my hands are freezing!"

She says, "Well put them between my thighs and that will warm them up."

After lunch he goes back out to chop some more wood and comes back and says again, "Man! My hands are really freezing!"

She says again, "Well put them between my thighs and warm them up again." He does, and again that warms him up.

After dinner, he goes out one more time to chop wood to get them through the night. When he returns to the cabin, he states once again, "Honey, my hands are really, really freezing."

She looks at him and says, "For crying out loud, don't your ears ever get cold?"

A solitary golfer heads to the starters' area where he is paired with a woman.

"Damn" he says. "This is going to ruin my afternoon."

As he approaches her, however, he sees that she is very beautiful and figures it might not be so bad after all. As they step onto the first green the man looks to his partner and says, "If I hole this putt, would you consider going out to dinner with me tonight?"

She agrees, so he lines it up, swings, and sinks it. They play a few more holes and approach the ninth. Both are lying 3 on this long par 5 and again the man looks up to the woman before his putt.

"If I hole this, will you kiss me tonight?"

She says yes and he sinks the 10 footer for birdie. They approach the 17th and both are lying 2 on the par 4 hole. He looks up again.

"Will you consider coming back to my place if I hole this outright here?"

She says yes and he lines up the short 3-footer and right down the middle it goes! On the 18th, the woman is lying 3, about 40 feet from the hole. She looks to the man and laughs, "I tell you what – If I sink this putt, I'll let you screw me silly all night."

With that she lines up her putt, takes a backswing and…

"Wait, wait, wait!" the man says. "Pick it up, it's a gimme."

A woman in labour suddenly starts shouting, "Shouldn't! Couldn't! Can't! Won't!"

"Don't worry," the doc tells her alarmed hubby, "they're just contractions."

OLIVIA

Age: 28 & 30 **Vital Stats:** 34FF-24-34 5'4" & 32FF-25-35 5' 5"
Photographer: BBM

This is her very first appearance in *Mayfair*, but already we've gone absolutely berz-erk over Olivia Berzinc! The sultry stunner hails from Derby, and is living proof that the town has a lot more to offer the world than a variety of scone. Or hat. She's been plying her trade on a couple of saucy TV channels (as well as appearing on a BBC3 show about webcam girls) but she's joined the major league now and no mistake! Isn't she quite the peach?!

Scene from MAYFAIR

Are you getting a bit fed up with Death In Paradise now, even though it's got Father Dougal in it? Then perhaps it's time to rediscover the classic whodunnits of an earlier, glitzier era...

AGATHA CHRISTIE CLASSICS

Agatha Christie, of course, has inspired countless films over the generations, but not many of them stack up to the quartet on offer here, starting with 1974's star-studded *Murder On The Orient Express* (directed by Sidney Lumet, no less, on a sabbatical between *Serpico* and *Dog Day Afternoon*!), in which Albert Finney's Poirot locks horns with the likes of Ingrid Bergman, John Guilgud, Lauren Bacall, Sean Connery and, well practically everyone else! It's a stonker, although 1978's *Death On The Nile* gives it a run for its money, with Peter Ustinov taking on the role of the Belgian brainbox and, Bette Davis, David Niven and Maggie Smith all in the frame for a foul murder amid stunning locations that look better than ever. *The Mirror Crack'd* (1980) and *Evil Under the Sun* (1982) complete the set, and feature even more stellar casting. Hats off to Studio Canal for such a brilliant restoration job – these 4K releases are pristine.

TERMINATOR 2: JUDGEMENT DAY

It's not often a sequel blows its predecessor out of the water, but that's what happened when *T2* hit the screens back in 1993 (that's right, it's bloody 24 years old!). OK, 1984's *The Terminator* had done well enough, but it was a genre film that didn't quite set the world alight, but 9 years later CGI had come on in leaps and bounds, and T2 was one of the first flicks to show what it was capable of. Arnie switched from playing the cyborg baddie in the first instalment to the cyborg goodie in the second, and as he hadn't had what it takes to kill Linda Hamilton's Sarah Connor first time round, it's touch and go that he'll have what it takes to keep her and her son John (Edward Furlong) alive in the second – especially when faced with Robert Patrick's far more advanced model. Daft but cracking, with some astonishing set pieces, it's been given a total overhaul for this dazzlingly pristine new 4K reissue.

THE PARTY

First thing to say is that this 1968 comedy would never be green-lighted today. Black-(or yellow-)facing is thoroughly off the cards, so any film that features Peter Sellers as a hapless Indian movie extra wreaking havoc at a post shoot shindig would have cinema executives running for the hills – and quite rightly, frankly. Still, things were clearly a bit different back in the 60s, and it's hard to say you wish they hadn't been on the strength of *The Party*, which really is a riot of laughs. Sellers had long-honed his 'Indian' persona (it features in 1960's *The Millionairess* and the hit *Goodness Gracious Me*), and he obviously has a lot of affection for the character, and as the disasters mount up at the party you've got to warm to him as well. Helmed by Blake Edwards, this is a delicious slice of late 60s fun.

FELICITY

Age: 23 **Vital Stats:** 32C-23-34 5'3"
Photographer: BBM

It's been a full six issues since we last clapped eyes on Flick's nigh-on-perfect bum, and we're glad to say that, if anything, it's got even better! How could that be?

"Oh, well, I've been making a bit of an effort to keep in shape – people think this job's all just larking about and taking your clothes off, but you can't let yourself go! Now I'm 23 I think I need to pay attention to that sort of thing. Don't you?"

I don't know about that – 23 seems pretty young to be worried about keeping in shape. The only exercise I got when I was that age was from lifting a pint glass now and then *(Yes, and look where that got you! – Ed.).*

Whatever sort of trading arrangement we end up getting with our European neighbours, it's got to be one that gives us unfettered access to continental cuties like Clea and her pals...

Harmony

THE PERFECT WHORE

★★★★★

Editor's PICK

CAST: Clea Gaultier, Ava Courcelles, Loren Minardi, Vyvan Hill.

Clea Gaultier's the sort of Eurostrumpet that would give the most ardent brexiteer pause for thought. Yes, we might be 'Taking Back Control' and allowing the 'British Lion' to roar again (erm, quite), but look at what we'd be giving up. Do we really want to be severing trade links with cock-mad cuties like Clea, or any of the other flampers on display in this flick?! Do we really, David Davis? Eh?!

Ahem, perhaps we'll come to some sort of deal, which would surely be fore the best, because Clea's on a voyage of sexual discovery here, pitching up at a remote chateaux and hooking up with Ava the horny housekeeper; lapping away at each other's private parts in the guardroom, they're watched by a load of unsheathed weapons (including mine!). Anyway, after that Clear gets a proper tour round the place, where she soon stumbles across all sorts of jiggery-pokery, with Vyvan Hill doing her best to drain her stud's balls using every aperture open to her, and Loren joining suite and even going one better with a DP, ably assisted by Clea herself, who's clearly a fast learner. **Available from your local sex shop.**

Digital Playground

COUPLES VACATION

CAST: Mia Malkova, Natalia Starr, Britney Amber, Nina North, Olive Glass.

First up (and a subject very close to our hearts) is there meant to be an apostrophe in that title or what? Well, I'll give them the benefit of the doubt (and there is some) on account of the cracking cast Digital Playground have assembled for this one, which sees several troubled couples making their way to a New Age retreat in the hope of patching up their relationships – and end up fucking each other in the sort of frenzied fuckathon that would be sure to heal everyone's karma. Stunning Mia Malkova's first up, pairing up with Tommy Gunn in the bathroom for the sort of knee-trembler that would leave me needing to wear callipers for a month. Natalia Starr, meanwhile, dishes out a deep-throating and receives a deep-dicking in return, which seems to float her boat as he pounds away, and yet another girl who's appeared in *Mayfair*, Nina North, teams up with Britney and Chad White for a top-notch threesome. Each scene here is bang on the button, with the closing foursome a final flourish that raises the standard even higher.

Wicked Pictures

TAKERS

CAST: Asa Akira, Ana Foxxx, Kleio Valentien, Christiana Sinn, Sarah Vandella.

This one's set in the near future, when the public health system has collapsed and a black market in body parts is thriving. Hmm, I think Donald Trump would like it – although it takes you a while to work all that out from watching it, as it kicks off straight away with Asa Akira and Brad Armstrong making the most of a hotel room. As is often the case with Asa, it doesn't take long before the stud tries out her arse for size, and he clearly finds it a very satisfactory fit, pummelling away before dropping his load on her mush. Splendid – but when poor Brad wakes up in the morning he finds Asa's only gone and pinched one of his organs – maybe a kidney – and collapses! Gorgeous Ana Foxxx is up to the same dastardly trick with Ryan Driller, although the poor sap doesn't even get a bit of anal for his kidney. Still, the ebony babe certainly looks a treat riding his cock in reverse cowgirl, so although he's naturally disgruntled about the organ nabbing, he can't complain too much! Things start to get out of hand when an anal bunk-up with Kleio and Sarah costs Marcus London more than his kidney, though, in this thought-provoking and trouser-tenting examination of the pitfalls of allowing free market economics into the health sector.

Busty Bridgette B's a bit of alright, isn't she? She must find herself beating guys off with a stick when she's out and about...

"Not really, no! I think a lot of the time they're a bit intimidated, so the only guys who ever try and chat me up are the really cocky ones, and generally speaking I can't stand those types!"

Oh, so does that mean you're going without? What a terrible tragedy that would be!

"Well no – it's just that I often have to make the first move. It's usually pretty easy, really!"

We bet it is!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

Name: JOSIE
Age: 26
From: HANTS

When I split up with my long-term boyfriend after he cheated on me, it broke my heart. Especially as we worked in the same office and so I bumped into him regularly. My friends all told me that I deserved better and that I should go out and enjoy myself for a bit. It occurred to me that they were absolutely right, so, despite having had the same job for the last 8 years, I decided I needed a complete change. I moved to a different area and, after a few interviews, landed myself a job at an advertising agency, answering the phones.

I settled in pretty quickly and started getting friendly with a few of the employees – particularly those who caught my eye. One of those was a guy called Toby. He wasn't classically handsome in a traditional way, but there was something cheeky and cute about him that I couldn't help but respond to.

After a few days of him 'casually' popping over to say hi every time he passed my desk and flirting outrageously with each other, I asked him out for a drink one night after work. He coolly said no, that he had to be up at the crack of dawn every day, but he suggested that maybe I'd like to have dinner with him that Saturday instead. I was pretty chuffed. I liked him and he made me laugh – and I love a guy with a good sense of humour.

Toby turned out to be great company and I found increasingly sexy as the evening wore on. I'd pegged him as a bit of a lad, but he was much cooler than that, really good to talk to. As we got to know each other, we became more and more tactile, so it wasn't a huge surprise when he asked me back to his place for a nightcap.

We arrived at his flat and I was even more pleasantly surprised – his taste was flawless. Everything was done out in cream and browns, with big comfy sofas, fluffy rugs and cushions everywhere. Plush was the word that sprung to mind. He motioned for me to sit down, which I did, as he made a couple of drinks. When he appeared in the doorway a few moments later with two glasses, I wasted no time in taking them from him and putting them on the coasters on the coffee table, before flashing him a sexy smile, dropping to my knees and whipping his cock out. He groaned as I deftly wanked him for a few strokes, before pushing him down on the sofa, taking his length into my mouth and started sucking away.

I was surprised how hot and bothered he became immediately – right from the start he was squirming on the couch, moaning and groaning, gritting his teeth as he tried to hold himself back. Hardly laid-back or in control, but it's flattering for a girl to see how much she's turning a bloke on. If he'd spurted in my mouth right then and there, I'd have taken it as a compliment.

I was just getting into my stride, when he told me that he couldn't take it any more, that he just needed to fuck me. Removing his dick from my mouth I grinned at him and asked him, as innocently as I could, how he might like to do that. He looked a little surprised before answering, "Missionary" but that look soon turned to lust as I lay back on his huge leather sofa and splayed my legs wide.

> "I GASPED AS HIS TONGUE WORMED ITS WAY AROUND MY CLIT BEFORE EXPLORING MY HOLE..."

He was instantly transfixed by my gaping pussy; his eyes never straying from my wet snatch, even as he dropped to his knees and started licking me out. I gasped as his tongue wormed its way around my clit before exploring my hole, the tip flicking inside briefly before pushing its way in fully. It felt blissful and I grabbed the back of his head, pulling him in deeper, his teeth lightly scraping my nub and making me yelp with pleasure.

This obviously turned him on and he became even more enthusiastic, using his hands and mouth to suck on my nub with three fingers shoved in my hole. He was getting me wetter and wetter and it wasn't long before I could feel my juices dribbling down my bum crack. Just as I thought that, he knelt up, his beautiful, shiny prick

glistening with pre-come and I suddenly ached for him to shove it inside me.

Almost as if he had read my mind, Toby positioned his cockhead at my pussy hole and teased me with it for a second, before easing it inside me, taking it slowly so we both felt every inch of it. My pussy was aching, throbbing around his length, and I started to finger my clit, making myself come as he started fucking me faster and harder. Every time he thrust inside me, he let out this little grunting sound, which I found a massive turn on. Even though it felt great as it was, I suddenly felt a surge of overwhelming lust and I knew I had to ride him.

I him back onto the floor, and crawled on top of him, sexily kissing my way up his body until my lips met his and I felt his cock pushing against my stomach. As I pushed my tongue into his mouth, I reached down and wanked him for a couple of strokes, before lifting my hips and guiding his thick sword into my grateful cunt.

As I bounced up and down on his hard tool he grabbed my tits, pulling them into his mouth and sucking them momentarily, the rhythm I quickly found meaning that every so often they would be pulled out his grasp. I love being on top and I know exactly what to do to bring myself off quite fast, so it wasn't long before I was climaxing, screaming my head off as my pussy clamped hard around his shaft.

After I'd come down a little, I hauled myself off his dick and went down on him again, enjoying the taste of my own cream as I noshed him off. I knew he wouldn't take long. I wanked him into my mouth with one hand, the other gently caressing his balls. He moaned for a few moments, then announced, "it's coming!" and grunted loudly, his hips jerking.

I aimed his spurting prick at my open mouth, letting a couple of jets splash across my chin before closing my lips around his helmet and sucking up the rest of his salty spunk.

That was a few months ago now and since then Toby and I have seen each other most weeks for a good fuck. We're not having a relationship and there's nothing serious going on between us – it's just a bit of fun and a good stress-buster, which both Toby and I need. And until I find myself a man that deserves me, Toby helps me scratch a certain itch or two…

My boyfriend Graham lives a few hundred miles away from me and what with work commitments we only get to see each other a couple of weekends a month. The obvious downside of this is that we don't get to have sex as much as I'd like. To keep me faithful, Graham bought me a vibrator and to show my appreciation I said I would not use it until he was there with me. This, of course, was a lie because the minute the postman delivered it I had it out of the box and was plugging myself silly at any opportunity. When Graham next came to visit I has it back in its packaging so it looked as good as new.

"AS I BOUNCED UP AND DOWN ON HIS HARD TOOL HE GRABBED MY TITS, PULLING THEM INTO HIS MOUTH."

As befits our rare get togethers the first thing we want to get down to is each other, but knowing Graham would want to see me enjoying my present I lay down some basic ground rules when I picked him up from the train station.

"When we get back to mine you are not allowed to touch me. You will sit in the chair in the corner of the bedroom and must stay there.

Under no circumstances can you come near me. You will only be allowed to join me when I say so. Is that clear?"

"I RAN THE VIBRATOR OVER MY PUSSY LIPS AND THEN PUSHED IT SLOWLY BETWEEN MY TENDER FOLDS."

"Errr… yeah," replied Graham, half confused but half grimacing.

When we got to my place I lead him up to my bedroom, still enforcing the 'no touching' rule and then I ordered him to take his seat in the corner while I went to work as it were.

I stood by my bed and seductively removed my jeans and top so that I was now standing in my skimpy underwear. I took a step closer to Graham and, knowing he was bursting to ravish me, I turned round and bent over, giving him a good view of the tiny G-string dissecting my arse.

"Oh no you don't!" I barked as Graham inched forward, ready to touch my bum. "I've told you not until I say you can!"

Annoyed, but obedient, he sat back in the chair while I continued to tease him. I climbed on to my bed and bucked around on all fours for a while before reaching to the side of the bed to get my present.

"Oh, what's this?" I teased as I unpackaged the vibe and inspected it as if I'd never seen it before. I pretended to look at it in amazement and then ran my tongue along the plastic shaft, the faint taste of my own juices detectable.

Putting it down for one moment, I unclipped my bar and then slipped out of my knickers. Then looking at a very frustrated Graham, I picked the vibrator back up and switched it on.

I groaned as I ran it over my body, crossing my tits before heading down between my legs. After several minutes circling my pussy I ran the vibrator over my pussy lips and then pushed it slowly between my tender folds. Accentuating my delight with overwhelming moans of pleasure I started to draw the vibrating toy back and forth in my pussy. When I looked up at Graham he was chomping at the bit, rubbing the bulge in his trousers with great eagerness. I shook my head to enforce that I was not ready for him to join me yet and returned to pleasuring myself with the buzzing toy.

"THIS IS WHAT YOU REALLY WANT,' HE LAUGHED AS HE HELD HIS PRICK AND GUIDED THE TIP TOWARDS MY PUSSY.

As I continued to slide the vibrator in and out of my wanton hole, the pleasure started to get the better of me. I was getting carried away and my mind began to drift as a climax approached. Graham saw what was happening and used the situation to his advantage.

"I'll help you with that," he said as he leapt out the chair, stripped out of his clothes then took control of the vibe. I was past caring about telling Graham to keep at bay, in fact I was desperate for him to fuck me!

"This is what you really want," he laughed as he held his prick in his hand and guided the tip against my pussy folds. In one swift move he swapped the vibrator for his prick

as he buried it deep inside me.

His first few thrusts coincided with my self-induced climax but Graham persisted in banging away as my whole body wriggled and jerked intensely. When I came back to my senses he was sliding in and out of me before asking me to turn over. I complied, raising my rear slightly in the air for him to take. His knob breached my fanny lips again and the thrusting continued, possibly even harder than before.

It didn't take long for me to reach orgasm again and as my body went through the motions for a second time, Graham increased the vigour of his fuck strokes. I gasped as his tip went in as deep as it could before he quickly whipped the whole length out.

My pussy was gushing by now and every thrust made a loud squelching sound. As I drew close to reaching orgasm again Graham finally came. His cock exploded inside me and I felt my pussy hole fill with his hot seed. As he pumped the final strands into me he reached over to the vibrator and handed it back to me.

> HIS KNOB BREACHED MY FANNY LIPS AGAIN AND THE THRUSTING CONTINUED, POSSIBLY EVEN HARDER...

"Now I'd like to see you finish yourself off again with this," he demanded, but seconds after flicking the on switch the buzzing suddenly stopped as the vibrator seized up.

"That can't be right, they should be brand new batteries, this toy is fresh out of the box. Isn't it?"

I had to confess the truth, but he didn't seem to mind that much!

ANNA

PHOTOGRAPHED BY ED ALEXANDER

If you dismiss all lady show jumpers as the haughty, horsey type — think again. Twenty-year-old Anna Williams from the Wirral was once a specialist in the 'snootiest' event of all, the dressage, and knows the truth. 'We only put on that expression for the event,' she says with a strong Merseyside accent. In fact, Anna describes herself as 'a bit of a nutter' which might explain why she's choosen to give up work to become a full-time professional model.

'I've always wanted to be a model,' she says of this, one of her very first sessions. And even when she was working as a receptionist at Hearthrow's smart *Post House Hotel*, she dreamed of posing for the cameras. 'I'd really like to be a sex symbol like Marilyn Monroe,' she claims and at five foot nine and a 36-23-36 figure, she certainly has the right apparatus.

Anna also has a passion for clothes. Not jeans and teeshirts but slinky, skin-tight dresses that show acres of cleavage. And her favourite places for showing them off are London's top night clubs. 'I enjoy meeting the people there, especially if they have a sense of humour,' she says, and the men who make her laugh most are Richard Prior and Eddie Murphy. Anna likes older men around 35. But be careful she's begun learning jujitsu.

MAYFAIR

Classic

Yes, quite possibly Anna from Wirral (you're not supposed to call it 'The Wirral' anymore, are you?) was a keen dressage rider before she decided to take the plunge into modelling, but what's really shocking is that whoever wrote the blurb didn't manage to shoehorn in a gag about 'undressage'! If anybody missed a trick like that these days they'd be given a right dressing down from the Ed – assuming he a) woke up and b) noticed.

On Sale Dec 13th

Is it my imagination, or are Christmases getting closer and closer together these days? Once upon a time there seemed to be an age in between them, giving you a chance to pay off the debts and start saving again, but now it seems like you've only just scraped the leftovers into the recycling and the shops are starting to stock 'seasonal goods' again! Well, in any event it means that the issue 13s of *Mayfair* roll round quicker as well, which perhaps isn't such a bad thing, 'cos they're bound to feature a load of stunners – like Staci Starr and Michelle Moist here! Bring it on!
